

Dear Cyndi;

I so appreciate all of your help in selling our home. You were wonderful! I only feel bad, having made a new friend, and then moving away. I will visit you whenever I come home. I knew I had made the right choice with you when you were on the way out, but stayed to help me. You went the extra mile. Aside from all your expertise I sincerely enjoyed our times together. You made it fun, during a stressful time for all of us.

I thank you for the beautiful floral arrangement. It was quite exotic, a type of succulent, with a touch of Holiday added. I will cherish it and take care of it as best I can. It came in a beautiful basket, so even if the plant goes south, I'll still have something to build on.

just am so proud of you, and know you will do well. You are like the "welcome lady" in real Estate. I endorse you and will blab to all my friends at the zoo, and wherever, that you get the job done. Not only that, all my family, and friends are living in the area.

Once again, kudos!!! I know we will be in touch from time to time. Next time we are in the area, I insist on taking you out for Mexican food, and catch up. Continued success, and Happy Holidays.

Your client, but mostly your friend,  
In His Love,

Diane
